

PARADIGMS FOR LIFE GROUPS

PARADIGMS FOR LIFE

Fall groups at Church in the Valley gather to learn and discuss key paradigms found in the Scriptures that apply across most of the arenas of life. Webster's defines a paradigm as:

PARADIGM

1: **EXAMPLE, PATTERN;** *especially* : an outstandingly clear or typical example

In the Bible, God has revealed patterns to how life works in order to help us make the right kind of progress toward good goals. Understanding how life works from God's perspective adds value, meaning and enjoyment to everyday life. Over the 5 weeks of our fall groups, we will look at several of these paradigms and the Scriptures where they're found to gain God's wisdom for living.
